# CRAFTED TO UNEXPECTED

---

KGM®, a modern mobility brand fuelled by the luxury legacy of SsangYong. This acronym changes what we stand for and sets us on the path towards advanced electrification, autonomous driving, and greater mobility for all.

## STRENGTH. SAFETY. STYLE.

Like all KGM vehicles the Rexton is Crafted to Unexpected.

Korean Grade Mechanics conspire with unexpected power and scale to deliver this Korean Glamour Model. Rexton is a large SUV that represents more in every aspect. More strength. More safety. More luxury. It also offers more towing power, seating, and space. Styled inside and out with graceful detailing that complements its rugged off-road capability, it offers an intriguing blend of practical raw-power that can carry, pull and plough through mud, while delivering comfort, safety and style.

# REXTON

## SCALE. STYLE. SOLIDITY.

KGM's flagship Rexton delivers on all fronts. With space for seven passengers, unflinching engine power, and powerful 3,500kg braked towing capacity, the Rexton is a solid and dependable beast wrapped in sophisticated technology and elegant design.

\*Accessorised model shown.

FEATURES

# REXTON

## INTEGRATE. INTELLIGENT. INTUITION.

Rexton is equipped with an advanced 12.3" infotainment system, providing the driver access to clear and responsive navigation and entertainment, intuitive steering wheel controls, Apple CarPlay®, 3D around-view monitoring for easy parking, and a convenient hands-free automatic boot release.

# REXTON

---

## STEALTHY. SCENE. STEALER.

Experience unexpected spaciousness in the Rexton's generous cabin, with a comfortable and accommodating 7 seat layout, generous 1806 litre boot space allowing room for 4 golf bags, and a grunty 3,500kg braked towing capacity for extra cargo.

---

The Rexton combines raw power with ultimate comfort. Its incredibly powerful engine is matched by luxurious features, like heated and ventilated power seating equipped with memory and lumbar support, one-touch windows, a sunroof, and dual-zone climate control. Cutting-edge Korean technology delivers these creature comforts, while the robust design ensures a solid sense of security. With this level of comfort, you might forget the formidable strength at your fingertips.

# REXTON

## FUNCTION. FEATURE-FULL. FLAWLESSNESS.

This isn't just a vehicle; it's a fortress on wheels that anticipates and prevents danger. With advanced features like Lane Departure Warning, Autonomous Emergency Braking, and Driver Drowsiness and Attention Warning, the Rexton stays vigilant so you can relax. Blind Spot Detection, Lane Change Warning, Rear Cross Traffic Warning, and all-around parking sensors ensure you're aware of your surroundings at all times. From its Electronic Parking Brake and Hill Hold Control to High Beam Assist and Secure Diagnostic Access, every aspect of the Rexton is designed with your safety in mind. In this SUV, protection isn't just a feature — protection is paramount.
